Lake County Donates Fire Truck!

On Friday, November 1, the Lake County Board of County Commissioners will officially donate a surplus Fire Rescue Mini-pumper to the Sunlake Volunteer Fire Department on Grand Island. The Department is a non-profit organization that provides first response for Sunlake, a mobile home park of 400 residents.

Sunlake Fire Chief Don Hamilton says "The Mini-pumper is a welcome asset to our area. We thank Lake County for their generous donation and continued support of our Fire Rescue efforts." "By working together the level of service and protection we provide citizens grows exponentially," reports Lake County Fire Chief Terry Seawell.

The Mini-pumper, a Ford F350 2-wheel drive vehicle, has an estimated value of \$2500 and was designated as surplus for Lake County since there was no projection as to what the vehicle would bring at auction. "We felt the best use was to donate it to the Volunteer Fire Department in the Sunlake community," adds Seawell.

The vehicle will be officially awarded this Friday, at 9:00 a.m. at 1101 Saint Lawrence Drive, Grand Island.
